

Dishwashing Machine

RESULT - A highly concentrated, low foaming liquid detergent formulated for use in commercial dishwashing machines. Also in powder formulation.

SWIFT - a concentrated non caustic, alkali based detergent for use in automatic dishwashing machines, combining powerful ingredients for the removal of difficult residues such as lipstick and baked on protein.

WINNER -Rinse Aid / Drying Agent - Developed to be added to the dishwashing machine rinse water in very small quantities to lower the surface tension of water. Dishes emerge clean, dry, sparkling and spot-free.

AS NEW - Highly active acid based cleanser formulated for periodic descaling of dishwashers.

Hand Dishwashing

APPLAUD - A concentrated, heavy duty hand dishwashing liquid which is mild on hands, cuts through grease quickly, with a pleasant apple fragrance. It can also be used as a general purpose detergent for light cleaning on most hard surfaces.

TASKMASTER - A concentrated, hand dishwashing liquid designed to remove heavy grease and baked on stains, with a light lemon perfume.

GREEN SINK DETERGENT - An economical ready to use detergent with an apple fragrance.

Glass washing

CLASS - Automatic Recirculating Glass Washing Machine Liquid - A highly concentrated low foaming liquid detergent designed for use in commercial automatic glass washers. Leaves a clear, sparkling streak-free finish to glassware.

CLEAR - A liquid glassware detergent for use in automatic glass washing machines to remove stains. Leaves a clear, sparkling streak-free finish to glassware and cutlery.

CLEAR RTU - Ready to use formula for hand washing glasses, easily removes stubborn stains for a sparkling finish.

Oven and Grill Cleaning

GRILLSAFE - High Temperature Non Caustic Cleaner - Powerful detergent for cleaning food residues from the grill plate. Can be used in Combi Ovens, Ovens and Cooktops.

OVEN n GRILLS - Heavy duty economical formulation for cleaning ovens, stoves, grillers etc. It will remove carbonised food spills, animal fats and grease quickly, without damage to vitreous enamel or ferrous surfaces.

LIFT OFF - Most effective for cleaning ovens, stoves, grillers etc. It will remove carbonise food spills, animal fats and grease quickly, without damage to vitreous enamel or ferrous surfaces.

COMBI OVEN CLEANER - A powerful alkaline detergent for cleaning food residues from interior of Combi ovens. It can be used in either manual or automatic applications.

COMBI OVEN RINSE AID- Specially formulated rinse aid for use in combination ovens.

TDP90 - Deep Fryer Boil Out Powder is specially formulated to remove the toughest of carbon and grease deposits from fryers, cookers and other high temperature cooking equipment.

SHINE - Cleans and polishes in one application, protecting against finger marks and oxidation on uncoated and lacquer coated stainless steel, aluminium, copper and anodised metals.

Spray and Wipe

QUICK n EASY - A concentrated multi-purpose spray on – wipe off liquid cleaner. Completely soluble in water, will remove grease and grime from almost any surface. Most economical and ideal for atomiser use.

ALLROUND - An aggressive, non caustic, degreasing cleanser for all kitchen surfaces except ovens and grills. It can be employed in mop and bucket or spray and wipe applications with equal success and economy.

SAFECLEAN - Safe and effective general purpose cleaner/degreaser for the removal of grease and grime from almost any surface including kitchen wall, floors and equipment.

Floor Cleaning

QUICK n EASY - A concentrated multi-purpose spray on – wipe off liquid cleaner. Completely soluble in water, will remove grease and grime from almost any surface. Most economical and ideal for atomiser use.

ALLROUND - An aggressive, non caustic, degreasing cleanser for all kitchen surfaces except ovens and grills. It can be employed in mop and bucket or spray and wipe applications with equal success and economy.

SAFECLEAN - Safe and effective general purpose cleaner/degreaser for the removal of grease and grime from almost any surface including kitchen wall, floors and equipment.

Washroom Cleaning

ONE SHOT - An acid based product that will efficiently remove soap scum & body fat from showers yet safely clean hand basins and toilet bowls. Used at a 1-20 concentration it will disinfect & deodourise while cleaning and controlling mould problems and quickly remove uric acid build up.

QUEST - An acidic cleaner/disinfectant for toilet bowls and urinals. Contains a deodorant to leave a lingering fresh "Wintergreen" perfume, the acid base effectively removes uric acid build up.

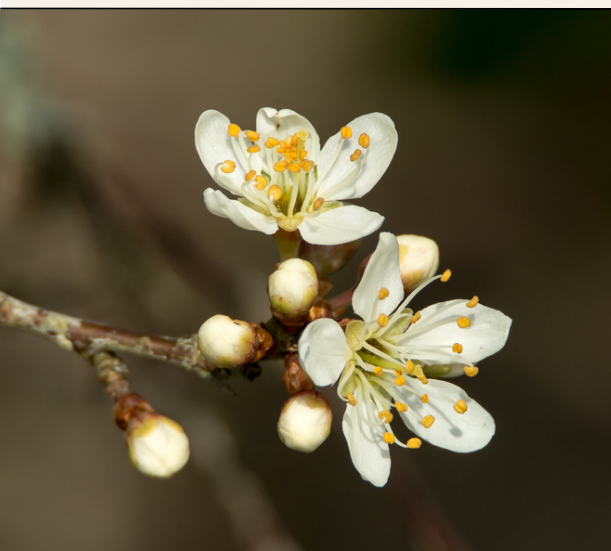

Laundry

SUNRISE - Eucalyptus Laundry Powder - Formulated as a commercial and semi-commercial laundry powder for use in washing machines as well as hand washing, designed to meet all normal wash requirements. It has a controlled foam level to ensure an efficient wash, it also contains optical brighteners and whiteners to produce a truly brighter, whiter wash.

SUNBRIGHT - Heavy duty liquid laundry detergent with a fresh floral fragrance. Most economical and suitable for use in washing machines as well as hand washing..

DEW DROPS - Fabric Softener infused with an encapsulated perfume. This perfume is released from clothing every time that it is rubbed.

CHLORBRIGHT - Industrial strength bleach (6.25% available chlorine) for laundry and general purpose use. Not recommended for use on coloured fabric.

Air Freshners / Disinfectants

EVERLASTING - Perfume Spray - An extremely tenacious re odorant for use in toilet areas where a long acting residual perfumed product is required. One small application potentially lasts 1-2 days.

LEMON MIST - 4% - Fragrant, 4% Q.A.C., disinfectant cleanser. For regular mopping or wiping duties in cleaning washrooms, kitchens or general freshening of areas to be mopped.

ASSASSIN - Positive Action Deodorant effectively reduces the odour of urine, vomit, fecal matter etc. at the source. This formulation contains a Hospital Grade bactericide that will positively destroy the bacteria which causes mal odours within 10 minutes.

Hand Washing

WHITE PEARL- A pleasantly perfumed liquid hand soap. Non-clogging and non abrasive.

HYGIENE FOAM SOAP - Sanitising Hand Soap - a non-clogging, environmentally friendly soap that is gentle to skin. It is built with emollients which leave skin silky soft and lightly fragrant.

GREEN HYGIENE SOAP - A soft hand soap for food preparation areas where bacterial activity on skin must be suppressed.
