

DEW DROPS

FABRIC SOFTENER

DEWDROPS is a high quality fabric softener specially formulated to provide exceptional softness and freshness to all types of fabrics. This concentrated formula conditions fibres, making garments, towels, and linens feel soft, smooth, and comfortable to the touch.

With the addition of anti-static agents, **DEW DROPS** helps reduce static cling and wrinkling, making ironing easier and enhancing the overall presentation of your laundry. It leaves behind a long-lasting, clean and refreshing fragrance that gently lingers on fabrics, delivering a pleasant sensory experience after every wash.

Suitable for both domestic and commercial laundry systems, including top and front loading washing machines, **DEW DROPS** is ideal for homes, hotels, aged care facilities, and laundromats.

Refer to Safety Data Sheet, for more information.
